“ Hello my name is Tammie Garcia. I worked with Julissa at CMHIP on the Core unit. Staffing would float her to the CORE unit. She asked me to write a letter of recommendation for her for nursing school. I was proud to write the letter for her. She is one of my favorite people to work with and was the kindest and beautiful young lady inside and out. Myself and the patient's will forever remember her. I am so saddened by this news.
