My love goes out to the Family. Justin had the ability to light up the room with his smile and sense of humor. I spent a lot of time with my best friend during good and bad. He would never fail to greet me with dap and a big hug. This will be irreplaceable. I truly lost my best friend and a brother. I know he is in a blessed place with his brother whom he spoke of everyday. He will never be forgotten. I feel blessed to have had the time that I did with him. Until I see you again my friend.
