“ *I live across the street from Kathy. She was such a generous person. Every year since she moved in she brought Halloween treats for my grandkids. I had the pleasure of getting to know her better this summer when I asked her to keep an eye on my house for a week. She had some good neighborhood stories for me when I got home! These last couple of weeks have been hard not seeing her. My condolences to all family and friends. May God's love and peace surround you as you work through this loss.*
