“ *Cousin Kathy was my strength when my dad was passing away. She walked into the hospital room and when she talk to me I crumbled. My dad was the first of the Guerrero boys to pass away 1991. When I went to see cuz of Kathy about a month ago we talked about that day 5 years ago she remembered that event back then. I told Kathy that I was there to be her strength we pray together I shared scripture with her and when we were done praying I talked with her and I reminded her that she had a great reunion about to take place at the Gates of Heaven. She had a big smile on her face when I told her the daddy would be there waiting for her as would her dad my dad my mom made all her other loved ones.*

My cousin Jennifer and to my aunt Jenny and give you my condolences I know what it's like to bury both Obama and a dad. I couldn't imagine what it would like. One of my children. Hugs you I'll see you on Wednesday.
