

Kathleen Ann Pacheco

August 5, 1938 - February 10, 2024

Kathleen Ann Pacheco, 85, passed away on February 10, 2024.

She was preceded in death by her parents, Harry & Hazel; and Brothers, Sonny & Ronnie Thibedeau. Kathleen is survived by her husband, Fidel "Danny" Pacheco; daughter, Donielle Kitzman; beloved grandsons, Gavin & Gage; sisters, Michelle & Patricia; along with her step-children & grandchildren and many special nieces, nephews, cousins & "adopted" family. Her life was dedicated to being the best mother and grandmother a kid could ask for. She was a best friend, advocate and caregiver to all those lucky enough to cross her path. A fiery, red-headed Leo that genuinely loved people, dancing, singing, laughing and love. Her passion for books was beyond imagine, because they took her to places she couldn't go otherwise. She valued every moment and every treasure she accumulated along her journey and was always happy to share those treasures and the stories that went with them. She gave more than she received and asked for even less. She was the light and laughter in every room, even when she didn't know it. Her spark will be missed by many!

A Celebration of Life will be held on March 9th, 1pm at the Pueblo Nature Center, river front deck.

“ My Sister was always a wonderful friend, teacher, basically my Mother as she raised me mainly in my younger years and as I grew she was my mentor and my cheering squad in my art. It's like my other half is gone, she was that special. I can't say enough about the love she gave to everyone and how she loved and gave more than her all to her daughter. She is missed and will be till we meet again when I go home to our Lord.
