

Konstance Elizabeth Martinez

December 13, 2020

Konstance Elizabeth Martinez 61, went to be with the Lord on December 13, 2020 in Pueblo, CO. Born in Augsburg, Germany. Preceded in death by her parents, Jerome and Charlotte Bartosz. She is survived by her loving husband, John Martinez Jr.; children, Lisa, Richard, John (Vanessa) and Elyssa (Brandon); grandchildren Ashley, James, Mikah, Anjolina, Isabella, Amina, RJ and Victoria; siblings, Maddie (Jim), George (Nancy), Charlene, Jerome, Jeri Lyn (Kenny), Joseph, JoAnne (Rudy), Ramona (Mark), Kathy (Rob); along with so many beloved aunts, uncles, nieces, nephews, cousins and friends. Konstance, affectionately known as Liz was a good person who had a beautiful heart. She lived her life for others and put them before herself. She spent her life happily giving and doing for her loved ones and there were many. She loved her children, her grandchildren and her family, there wasn't anything she wouldn't do for them. She was fun and full of life. She had personality and spirit. When you were with Liz you knew there would be a good time to be had and side aches from laughter. When she laughed or even smiled she glowed, she lit up the room. She was beautiful, both inside and out. There wasn't anyone like her, and she will forever be missed. Konstance had many passions in her life. She loved music and shopping. She loved to cook and enjoy sweets with her babies. She loved dancing with her sisters and being ornery with her brothers and loved being with the people she loved, especially her husband. Konstance loved Christmas. She always had the biggest, most beautifully decorated tree that of course, was covered in tinsel.

So much tinsel, that every time you left from her home you'd always find it on you when you got to your car. She loved the holidays, she treasured family stories and traditions. She loved her family, and we loved her. " We rejoice knowing that she's been welcomed by Jesus into the kingdom of heaven reuniting with her parents for eternal life."

“ Liz was like a sister to me. Tony used to kid me about her. John I would like to say I am so sorry to you and your family and may God keep his hand on you always. Liz was an Angel here on Earth and now she got her wings. Love you all, Joey Vigil from Boone.

“ Lizabeth, I guess I just want to say I love you & already miss you so much!! I know you're in the arms of Jesus today, but it feels so empty in my heart right now! I wouldn't bring you back, I wouldn't want you to have to be back in your body full of pain & limitations. The way I feel is all selfish. I just always thought we'd have another adventure, a road trip to Denver, or at least another chat. But we will! When I see you in the morning! A memory? I remember laughing with Lizabeth until I couldn't breathe! But I also remember that when I felt like I wanted to die, no one understood me & my hurts etc. Like she did! I will never forget you Lizabeth!! I love you more than I can say!
