November 22, 1987 - November 11, 2018

Krystal Alexis Padilla went to sleep peacefully in her home on Nov. 11, 2018. Affectionately known by friends and family as “Tally”. She passed away respectfully before her 31st Birthday on Nov. 22. She was born and raised in Pueblo Colorado. She Graduated from East High School in 2006. It was while attending High School that she gained a greater appreciation for the Arts. She excelled in creativity when it came to Sculpting and Pottery. She made the most exquisite pottery pieces and shared them with her family. She was Uniquely talented and really quite humble. She enjoyed clowning around with her friends and close family members. Family members that are near and dear to her heart and speak of her as their sister. She loved spending time with her family and friends and especially her nieces and nephew. She was a humanitarian at heart. She selflessly dedicated her life to care for her elderly and infirmed family members. Even though she was silently suffering from her own illnesses. She endlessly demonstrated contending with the hostile illnesses that kept her beautiful spirit imprisoned. Our Father with his steadfast love, healed her on that faithful day and called her home to join him in his glorious Kingdom. Ending all her pains, her sufferings and all her disappointments. She is free to enjoy the peace, the love, and the Joys of eternal life that she so genuinely deserves.
