“ I would like to offer my most sincere condolences to the entire Baca family. I grew up in Avondale with Larry and I remember that he always had a smile! One thing I really liked about him was that although he was a very good athlete in several sports, he never looked down on ordinary folks like myself. He was a down to earth guy that treated others with respect.

“ *As a new kid growing up in Avondale you were very helpful in mentoring into the person I am today. I followed you in all sports and tried to play ball like you did. All heart and soul to the end. You always told me to give it all you got every game and never give up till the horn sounded. Larry you will be missed. My deepest condolences to the Baca family.*

“ Met Larry in high school, and he was a friend forever. Whenever we saw each other we would take a few minutes or more just to catch up on how life had been. He will be missed by many. My condolences to the Baca families.

“ My memories from elementary, jr. high and high school of Larry are that he had a great way with people. When he played basketball, he had the best expressions! He was funny and that smile would lite up a room! Praise God that he knew Jesus and that he is a peace. I'll see you one day Larry, that is God's promise to those who know Him!

“ Larry was my Brother, I will miss him forever. His family was everything to him, let there be no doubt that he knew the Lord Jesus Christ as his Savior and through the Storms of his life the Anchor held.

See you at the gate my friend.
