“ I remember how he used to twirl his finger in his hair when he used to drink his bottle. He was my baby brother and Me and Lisa used to take care of him and Dorthy a lot when he was little. He had a tail and boy when they cut his hair he cried when he could no longer twirl his finger in it. I remember when he came back from Mexico with nothing so i bought him shoes, clothes, socks and a coat he really favored. Theres nothing i wouldnt do for my brother Lawrence. I love you Brother and will miss you. Until I see you again watch over us.
