“ *Leo (Little Leo) was 6 years younger than I, so we really didn't know each other that well. As we grew older we saw/visited each other less. But what I know about Little Leo, is that he was quiet, kind and a polite person! Rest in Peace my cousin! Love you! Cousin Danny Guerrero*

“ My dear friend Leo, I think what I have to say is said by many others. I met him at the dog track and Leo was known and loved by everyone there. He was like a busy lil bee going from table to table to welcome you or just to sit and talk. He was an excellent ear to listen to whatever you had going on, He had the heart of an angel that's for sure. He often offered to help me as I closed up for the night, but rest assured he'd be there like clock work the next day. I'm sure gonna miss him , he was such a an honor for me to have him as my friend. Rest now my friend and fly high with the angels.
