

Leonor Nora Sisneros

October 23, 1946 - September 24, 2025

Leonor Nora Sisneros (née Vigil), 78, of Colorado Springs, departed peacefully surrounded by her family. Leonor Nora was born on October 23, 1946, in Springer, New Mexico, to Anselmo and Julia Vigil. She was raised in Pueblo, Colorado, where she graduated from East High School in 1965. That same year, she married Nick Sisneros. In 1969, they relocated with their family to Chicago. Leonor worked as a chiropractor's assistant for over 20 years. Beyond her career, she was devoted to her family and found joy in creating special memories with her grandchildren and great-grandchildren from zoo trips, pizza Fridays, and park outings, to sleepovers at grandma's house and cheering at their sporting events. Leonor enjoyed playing cards, working on puzzles, and coloring mosaic artbooks. She was known for her homemade flour tortillas, her love for holistic remedies, and her collection of frog and hummingbird keepsakes. Most of all, she treasured spending time with her family. Leonor is preceded in death by her husband, Nick Sisneros; her son, Alfonso "Fonz" Vigil; parents, Anselmo and Julia Vigil (née Trujillo); her siblings, Doris Arzate, Teresa Moreno, Ramona Vigil and sister in law, Sonia Vigil. She is survived by her daughter, Rita (Ruben) Muñoz; and her son, Derec Sisneros; her siblings, Gilbert (Claudine) Vigil and Juan Vigil; and her Goddaughter Dolores (Anthony) Arguello. She also leaves behind six grandchildren, six great-grandchildren, many nieces and nephews, and will be remembered as a cherished sister, Godmother, and beloved aunt. Leonor Nora will forever be remembered for her endless generosity, her deep

love for her family, and the warmth of her spirit that touched us all.
