“ Linda indeed loved to travel & I'll always remember her as my Sister who gave me the magnifying glass on one of our trips together. Rest With God my Beautiful Sister. Stella

“ To Tamra, Maria, and Dominic and families, This is Jo Dee Reeves, Linda's long time friend of 24 years. Linda was my daughter, Shirley's 4th-grade Christian School Teacher. That is how I met her and Chris 24 years ago. I was a nurse then and Chris was one of my patients. Both of our husbands were in the same hospital at the same time and bith died the same year. Besides being one of Linda's best friends and one of her employees of Achievement unlimited, we got to have lunch or dinner together many times and celebrated Birthdays together with cards and gifts. The last time I saw Linda was two years ago, when I invited her to a 4th of July picnic at a friend's house in Pueblo and then we went to watch the fireworks at the River Walk afterwards. Linda was not "herself" that day. She seemed very confused. I lost touch with her, bcuz she disconnected her phones...all three of them eventually. I was stunned to find out she had passed away. And even more stunned to find out that they had her funeral on Friday, and I didn't know or I certainly would have been there! I am praying for all three of you and want you each to have my phone number. I have been living in trinidad for almost 4 yrs bcuz my daughter lives down here. I would love to stay in touch. You can contact me at this #. (719) 845-7895.
