“ Uncle Lonnie not a day goes by that I don't miss you I still can't believe your gone. Even though you may not be here with us on earth you are in my heart always. I just wished I could go back in time and have another day with you either fishing or playing 31. You were the one who taught me how to shuffle cards and the bridge. I remember when I was young growing up at grandmas I would look forward every night to play rummy. And when we didn't get to play I was upset. You were definitely the life of the party and always fun to be around. I'm glad all my kids got to meet you uncle! Just know we all love you and I will make sure kyliana grows up knowing you and how fun you were as she didn't get much time with you! I love you uncle so much thanks for visiting me in my dreams to tell me grandma was in a beautiful place it truly meant alot to me. Rest In Peace uncle riff!

Love always,

Mario, Nicole, Jayden, Audriana and Kyliana

“ Lonnie,
Missing you so much, brother! Missing your laugh and missing your smile. No family gatherings will ever be the same. We could count on you to make every get-together so much fun! We will always be thinking of you, remembering your kindness and how you were always there for us whether it was an offer to get decorations out of storage for the seasons or taking the car out for a washing. Most of all, we will miss just visiting with you. We feel a little better knowing that you are with Dad and Mom and Junior keeping each other company. We're sure that you are all smiling and laughing and watching over all of us. You will always be in our hearts, brother. Until we see each other again -

Love,

Judy and Adam

“ Uncle Lon Dog,

I just wanna say thank you for everything. You were the one I called when I needed help with anything; Moving, painting, yard work. etc. We would only get things half done because we would start to early with our beers and just give up lol. I think of all the memories we shared and gosh there is so many and I'm truly lucky to had such a "Riff" as an Uncle. I hope your having the time of you life up there with Brother Joe, Grandma, Grandpo, Roger, Mrs. Irene, Loretta. All I can say is I'm jealous because I'm missing out on one heck of a party and great time. I love you and will miss you Riff. Till we meet again BLINK BLINK..... YOU'RE FIRED :)
