“ I am the volunteer coordinator at Parkview, and had the honor to meet and work with Lorenzo for a short time. I will always remember him as a gentleman and with that amazing smile to brighten my day. Running into to him from time to time was so pleasant, always continued with a great outlook although he was ill. I wish him peace as well as the family.

“ Mrs Garcia, family, and friends. I visited Lorenzo the day before his passing. I was fortunate to tell him that day how much he meant to me. Lorenzo was my friend for over 55 years. I was lucky to have a friend who was brave, kind, and intelligent. He was like a brother to me. He will live in my heart forever.
