“ My beautiful Aunt Chris you had been heavy on my mind lately and I'm so sad to see you go but I know you are no longer suffering and are at peace. Thank you for all the fun times since I was a little girl growing up. From spending the weekends with you when I was little, to seeing you everyday at work, and just needing someone to talk to.. Even though you were sick you still came to take care of my Uncle Tom. I love you with all my heart and will forever miss you!

“ Lala was such a great help with my brother Tom when he was bed ridden & before he passed. She came to clean him, shave him, bring him snacks & dance with him.  
We were so grateful to her. You will truly be missed Lala
