“*Lou, we will love and miss you for the rest of our lives. The last few weeks of your life, the laughter, tears and memories will remain in our hearts forever and always. We thank God for bringing you into our lives and showing us what love is really all about. You are such a kind, gentle, and amazing man and we are so fortunate to be a part of your life. To your beautiful family who welcomed my family into their lives.... Thank you! They took such great care of you until the very end. Always there for you and never left you alone. The love they have for you ,touched our hearts. Manuel, what a strong and loving son you are to your Dad. The way you looked at him and cared for him and said I love you to him everyday, that is something we will never forget. It was just beautiful. What a great son you are! We love you God Bless you all With love, Rose and family*
