*Uncle Luis,*

*Thank you for raising me and loving me as if I were your own. Your happiness was contagious, whether you were working on cars outside or tending to the weeds. You always had a smile on your face, minding your own business and loving the Lord with all your heart.*

*I remember the day you got saved, Uncle. It brought so much happiness to all of us. We are going to miss you so much. I love you and just really want to say thank you. You were an amazing father, husband, uncle, grandpa, and friend. Thank you for being the best Godparent to my child that you could be.*

*You and our family have instilled nothing but the love of Jesus in us, and we will never stray from that learning. You were a hard-working man who provided for everyone, no matter who they were. Your legacy of love, faith, and hard work will live on in our hearts forever.*

*With all my love, Your Niece Amanda Valdez Parker and family
