“ *My memories of my Uncle Manuel run long, he was my Mother Dolores Gallegos older brother and was always very special to her, when I was about 9 or so 1964 we moved to Pueblo for a 1/2 a year or so and would see Uncle Manuel and Aunt Angie and Gary & Debbie almost everyday, he was always fun and liked being a kid with me and my sister. Hard worker till the end and always had a great attitude about life no matter what was going on, "Asi es la Vida" he would say "That's life". He will be missed by all of us but also left us all his legacy of life to copy and repeat, I'm sure as he went to Our Lord he was able to look back and say "That was good" he fought a good fight and never expected anything he didn't work for himself. Que Dios lo tenga en Paz.*
