“ Lisa, David and extended family,
My deepest condolences in the death of your
father and grandfather. I have many
memories of Manuel and Mike either at his
VW shop and later at Mike’s cabinet shop. He
would often turn up at our house to eat lunch or dinner and enjoyed
reminiscing with his brother. I used to joke with him to make him
laugh. (I loved that) Rest in peace dear brother-in-law, you are truly
missed.
