“ Grandma I will always remember our canning sessions with you, mom, LaTanya, aunt Yolanda and aunt Michelle. Though your pickles were my favorite, the jelly was not too far behind. I loved picking peppers in the garden with you and grandpa, and oh boy, the catfish, cornbread and peach cobbler have never a match met. I miss you so much and wish I could be there. I pray Elohim uses all of this for good to those that love Him and are called according to His purpose.
