“ I met Dorothy when I was 18 in the summer of 1965. We worked together and shared a home with 2 other girls, Dilly and Brenda. Dorothy and I worked days and Dilly and Brenda worked the 3:11 shift. We became best friend and our husband's became great friend. She and I used to take our children to the State Fair while our husband were working.. When my dad died in New Mexico, we went on labor in 2007 to spread his ashes. She met my family and I met hers and got to know them pretty well. I met doctor Gonzales when he was 10. Dr. Gonzales the eldest of 3 brothers and 1 sister...I got really sick in 2005 and he was my Doctor... great Doctor...I met all her sister except one and some of their children. Beautiful family. Justine and Eric your mom and dad would be proud of you... Both of you loved your mother and other nieces and nephew. Those grandchildren were her pride and joy and extended family. We would go shopping together...We had such a great time. We will miss out best friends. We missed sometimes together with other commitments. But when we were together it was as we had never left. Dorothy was my sister. Sonny was my brother. My Anessa will be there to represent our family. We live in Independent living in Oregon.. We told our loved ones We will see you in heaven!!!Philippians 4:7 “And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.”
