“ Marion was a dear family friend to the Maldonado’s and for years umpired myself and my cousin Tee Maldonado. I’ll never forget a tournament at Stotter field in 1980, our team Caprittas Oasis was in the championship, I was playing second base and Marion every time I made a play, had encouraging, kind, motivating words to give me from behind second base. At the end of the game, he awarded me my first ever “ All Tourney trophy” he then came up, shook my hand, and told me what a little hustler I was. I’ll never forget that day or Marion, and I often go back to that day and that memory and will never forget just how encouraging your father was and how I really felt like he believed in me that day. Your father truly made a difference in my life. God Bless you and your family Mrs, Hernandez May Marion Rest In Peace.

“ Uncle Marion, he was a very great person to be around, he was always positive and supportive to all his family members, inlaws didn't matter. From camping to any kind of sport he always was there and welcomed, not to mention he had a great sense of humor. We definitely are going to miss him, but at least he gave us some memories we will never ever forget.
