

Mary-Jo Torres

May 5, 1945 - January 19, 2026

Mary-Jo Torres, 80, went to be with the Lord on January 19, 2026 in Glendale, AZ. She was born May 5, 1945 in Pueblo, CO. She was raised on Elm Street and was very proud to be part of this Italian neighborhood. It was in Pueblo that she worked and raised her family. Mary-Jo loved and lived for her children; Mary Beth, Jennifer (Scotty), Roberto (Lorraine), Roseanna (Nick), Maurina (Chuck) and Jesus. She was a devoted "Nonni" to her 18 grandchildren and 21 great-grandchildren. She also had a special relationship with all of her siblings; Mickey, Tony, Joe, Johnny, Cathy, Susan, Gina, Bobbie Jo and their spouses and families. Mary-Jo was fluent in both Italian and Spanish. She learned Spanish in order to communicate with special people in her life and learned the language so well that she went on to teach English as a second language to many. Mary-Jo had a love for life and enjoyed every minute of it. She traveled, seeing many parts of the world. She enjoyed music of all types. One minute she would listen to Dean Martin, then next Harry Belafonte and then on to her favorite Mariachi music. Mary-Jo was an amazing cook and baker, traits she passed on to her children. Over the years she opened her home and her heart to many and cared for them as her own, touching so many lives. Mary-Jo will be missed and fondly remembered by all who knew her.

“ Mary Jo was one of those rare people whose kindness left a real imprint on everyone around her. She knew my dad years before I ever met her, and when I finally did, she welcomed me with the same warmth and sincerity she'd shown him. Every time she came into the shop, she brought a sense of calm and connection — the kind of presence that made you stop what you were doing and just enjoy the moment.

She asked about my family with genuine interest, and during some of the most difficult times in my life, her words were steady and comforting in a way I'll always remember. Even though I haven't seen her in recent years, she has remained someone I think of with deep appreciation.

My thoughts and prayers are with all who loved her as we honor her life and the kindness she shared so freely.

“ *Mary Jo such a beautiful woman now her since we were kids. She saved my life when we were kids. We all piled up in the station wagon, and went out to the reservoir. I went out too far, and I thought I was starting to drown and Mary Jo came over to me and got me and let me cough in everything and she took care of me. Thank you Mary Jo that is one memory that I have always had and I will never forget.*
