“ You were such a great Aunt in our lives. You were always there during our family most darkest hour. You were so proud of all your kids growing up and always encouraged all of us to go to church. So many good memories. You will be missed.

“ Dear Grandma Teva (AKA The Teever),

I had so many great memories with you. Your dedication in helping my mom raise us as kids meant the world to us. I was always excited to see you come through the door early in the morning to make us breakfast before we went to school for 12 years. I'm going to miss your unintentional comedic responses to anything we were talking about at the moment. You always made me laugh :) I love you and you will forever be in my heart <3
