*I Frankie Garcia can say that Micheal D was one of a kind. I grow up with Micheal, my parents used to rent form his parents, so we had a lot of time to get to know each other. I remembered when we used to hang out in the park and back yard with Pedo and Ross ECT. Sometimes I wonder if you of stayed in center, would you still be here ... My heart really hurts to find out that you are not with us no longer. You always be my brother for life ! One day we will meet again*
