“ Rest in peace Mike. I remember when I was 15, you let me and my brother go for a drive in your truck. I had never driven a manual transmission nor did I have a driver's license OR permit! But you gave me the keys and walked away, and I learned on my own and because of your trust to this day, I can still handle a six shift like no other. Thank you for that. You have two of the coolest sons! You are loved and missed by many!

“ Grandpa Mike (as I called you, even though you're younger than me), we became family through Debbie Kaber and the Debaca Family. My life became richer by knowing you. The day we met, I called Debbie and told her "Superman used to be my hero, but now Grandpa Mike is my hero. When I grow up I want to be just like him"! What an awesome, loving, giving man you were. I will always look up to you in Heaven, as I did here on Earth. Thank you for loving Debbie, and thank you for the love and protection you gave your grandsons, my nephews, Jacob and Timmy. With loving memories. Dennis.
