“ Micheal you were a great young man. I will always remember your spirited personality and smile. Having you in our teen class was awesome and a way to get to know you better. Prayers for you and your familia. A life taken too young but your memory will live on

“ To the family of Michael. My condolences and deepest sympathies are sent your way. I've had the pleasure of meeting this kind young man at Angelo's pizza. He's a good friend to my nephew's and son. I've heard only great stories of this young man. I pray for you all. I pray for a cloak of peace and protection to be surrounding Michael's family, friends! 🙏  
I pray justice will be served for this precious young man.

These are beautiful words. My 19-year-old son was also taken too young in January in CO Springs. My condolences & prayers to the friends and family. May justice be served.
