

## Michael Jerome Wasson

March 10, 1961 - March 3, 2017

Michael Wasson, 55, passed away on March 3rd, 2017, after a courageous two-year battle with cancer. He was born on September 10th 1961 in Kansas City, MO, but moved to Colorado shortly thereafter. He spent time in Iowa, North Carolina and Texas, before eventually returning to Pueblo, where he made his home for most of his adult life. Michael worked for the majority of his professional life in health care, most recently as an RN at Parkview Hospital. He was a natural caregiver and was dedicated to his patients. He loved his coworkers, many of whom became life-long friends. Michael loved animals and always had a house full of pets. He opened his home to countless stray animals over the years. He was a skilled horseman and had a special touch with all animals. Michael was an accomplished cook and enjoyed feeding family and friends. He loved to travel, go camping and to spend time with loved ones. Michael was preceded in death by his grandparents, Tony and Mona Giadone. Michael was lucky to have found his spouse and soul mate of almost twenty years, Bob Hudson. Michael is also survived by his mother, Ida Giadone; sister Jenna Price (Joe) and niece Audrey; sister-in-law Melissa Stone (Shane,) nieces Emily and Taylee and nephew Guy; brother-in-law Tra Hudson (Carol), niece Lauren and nephew Matthew; Uncle Ron Giadone (Leslie) and cousins Dante and Damian; and many beloved extended family members and countless friends. Michael fought cancer with the same grace and determination that he lived his life, and we are grateful to his many medical care providers.

“ Bob and family,  
It is never easy losing a loved one, and especially one with such a big heart. In the few times we had met Michael, we could sense his compassion and love for animals. We know he will be greatly missed. Our thoughts are with you during this time. Eventually the sadness will lead to wonderful memories and smiles, as you remember the great times you spent with Michael.

Our best to you,  
Deb & Cecil

“ Michael was so much fun to be around--- he was kind, mischievous, had a great sense of humor, and would bring joy to any given moment. He loved adventure, people, and animals. I know that he'll be missed by all the people whose lives he touched. Michael, you'll forever stay close to my heart.

“ Dear Ida,  
Mother of Michael, we send our heartfelt love to you and your family. Every day you prayed for your son as all mothers do. But somehow we felt an overwhelming love for him as you loved our mother with the same amazing love.  
We lost our beloved mother, Erma on the same day.  
With the grace of God, we will be strong and pray together as we know that Michael and Mother are in the arms of the angels and Jesus the Lord.  
Lovingly.

“ Dear Bob and Family, I will miss Mike so much. He was the very first nurse on Ward 79 that I had the pleasure to work with. He taught me so much while I was first hired. He also welcomed me with open arms and let me know I was part of a special team. I love you Mike and I will always keep you in my heart. Pamela Langosh Folger
