“ Mickey was a Consumer of mine, I'm a low vision/ blind specialist bus she became a fast friend. With her infectious smile and laugh how could you not fall spell to her whims. She was a big part of my vision group and she will be very missed. She did not miss one of them that's how important they were to her. She was important to me and I will miss her very much.

“ What I remember about Mickey was her smile and her laugh was contagious. Even though we hadn't seen each other in a long while I will always remember Mickey and hold her in my heart.
