“ *Our deepest condolences go out to Michael’s family from way down here in Albuquerque. While growing up, my family often visited with his and their extended family in Florence and in Pueblo. Since Michael was about the same age as his cousin Theresa and I , we had a lot of fun times together. He was always willing to drive us around and take us wherever we wanted to go. He had a shy demeanor but was so pleasant to hang out with. The fond memories I will always cherish. May you Michael, be dancing with the angels in heaven!* 🙏🕊️

*Respectfully,*
