“ Steven and Dori I am so sorry about you losing your mom from this earth. We always laughed together and shared the lighter side of life. I loved worshiping God with her . I know she missed your dad so so much, they were so close they were like one person. I know she is healthy and happy in her spiritual body. Hugs to you Steven and Dori from Castle Rock from all the Pacheco's

“ Wanted to say this before the service, thank you Auntie Millie for helping me feel apart of this family. We used to go eat out with mom sometimes. I wished I wasn't all shy and awkward like I was but just know I love and miss you, love you, Auntie.
