“ *I have so many beautiful memories of my friend, and client Molly! As I was her hairstylist for 40 years and met her at the salon 43 years ago! I started doing her hair when I moved to a different salon. We shared so many precious moments and times together as she came in weekly and at one point twice a week. I have such fond memories of her encouraging me opening my own business, enjoying special events in my life like the birth of my children and grandchildren and other wonderful events. We laughed together and cried together over life's ups and downs. We definitely loved our children and grandchildren and could spend hours sharing stories of our families. I will miss my friend and client of so many years, but will enjoy the precious memories and special bond we had with one another over the years.*

Rest In Peace my precious friend and say hi to my Mom 💖 for me!!
