“ I was always welcomed by your mother into your home to play as a child, and greeted for updates of my life as an adult when I would return to Pueblo and visit my grandmother next door. I especially appreciate how your mother kept a friendly neighborly eye out for my aging grandmother Chambers, then later, my aging uncle Lloyd. She was a very special lady. Kathy Kyffin Schleifer

The only scars in Heaven are in the hands that hold them NOW. My parents were Georgia & John Beaver they have been waiting for her October 2015. I often saw her walking her dog. I know the way we miss them, but also know they are safe forever 😊
