“ *Everytime I saw my Uncle Nappy there was laughter, and that's one of the best gifts anyone can give another. The one that comes first to mind is when he waited till Carmen's t.v. show was over to tell her he thought he was dying. This was a couple of years ago. I don't know if he intended to be funny, but it was the delivery that made it so. You will live forever in my heart Uncle Nappy. Love*
