“ *Nickie was a blast! Growing up with Nickie was fun. Nickie loved to laugh and making everyone happy. As a kid watching her play baseball, she kept running and if you were on her way she would knock them out . They were afraid to tag her out. Everyone wanted Nickie on their team. Anyone that knows Nickie loved her laughter. She was a blast! Perhaps the Lord has called Nickie so He can be entertained with her laughter, joy and the love she shared. We will miss you Nickie! Love, 💕💕 Pete & Marie Maestas, Lubbock, Texas*

“ She was a very special friend to myself along with about four or five more close friends when we all went to school together! She entered our school talent show and Sang so beautiful! She always protected all of our group when the bullies tried to hurt us. She had a beautiful heart along with being so friendly to whoever she met! I met one of her son's and he was polite to my family. We shared alot of stories and we all laughed with each other! I will always keep her in my heart until it's my turn to go be with Jesus! She is whole again by going to heaven! I have a photo of her in our group on graduation  day at my home in Pueblo. Our condolences to the family and many blessings to you all! A friend, Kathy Martinez Snurr!.

Nickie was a very dear friend. We would catch up at Bingo when I would work Bingo for the Democrats on Friday. She was always ready to give me a big hug. When we were 14 we played softball together. Our west side team the Spinnets won State Championship in our age group, Nickie was a force to contend with at the plate. I couldn't count how many homeruns she hit. Growing up Nickie always your back on the ball field or school. She was alwYs PROUD that she was a Centennial Bulldog. Rest In Peace my friend. Joyce Valdez Olivas
