“ I had the pleasure of taking care of Mr. Vigil and I have the pleasure of taking care of Mrs. Vigil. They say don't get close, don't get personal, but when people are as wonderful as these to, how do you not give them your heart. I said my goodbyes to you on the day passed. My heart will be with your family today. Love you all! Bev

There was never a time in my life where there was not, Obed. From my childhood to the present, he's been there. He and my sister, Sue were meant for each other. He was a wonderful brother-in-law and my entire family loved him. We will miss him dearly, we pray for the entire family and so wish we could be there. Our blessings to all.
