

Odilon Pedraza

May 15, 1972 - July 30, 2024

Odilon Albert Pedraza, affectionately known as Odie, has sadly passed away on July 30th 2024. He is loved by many, and has made an impact on peoples' lives. Born to his mother Alice, and his father Albert on May 15th, 1972 in Los Angeles California, and moved to Pueblo Colorado at a young age with his family, for a fresh start and new beginnings. California was his first home, but Pueblo Colorado is where he grew a family of people who will miss him dearly. Odie's earlier years were shared with his brothers, Alex and Lex creating a tapestry of memories together. Odie went to Corwin middle school and South high school, where he met everlasting friendship with his classmates. He taught himself how to play guitar at the age of twelve, then eventually piano, and throughout life would sing his heart out for everyone to hear. Music was his passion and comfort in his life. Odilon's love will be left with his daughters, Emily and Olivia. They will always remember his free spirit and compassion through his music. His nieces and nephews, Andrea, Julian, Leah, Pheonix, and Brooklyn will always remember his jokes and goofiness. Odie's memory is honored and kept alive by all his family and friends he has made. Odilon Pedraza's story is one of compassion, free spirit, and love to everyone he came across. He will be deeply missed, but we will meet him again with the love we have for another lifetime.
