“ I am so sorry to hear about Pam's passing, I was her supervisor for a brief time at Express Scripts and although it was a brief time she left a lasting impression of compassion and kindness. I pray God sheds his grace on her family during this difficult time.

*Many hearts are broken in New Jersey. I will cherish the thousands of memories I have from the most carefree and fun years of our lives. I trust that Pam's heart, soul and mind are now at peace and she in the hands of our Lord and at peace. I will keep her in my heart forever, where she has always been.*
