“ My beautiful sister, reading this obituary makes me so sad because I realize this isn't a bad dream. I was truly blessed with you and Vivian as my sisters. We had an amazing bond since we were little and it carried over to adulthood. I will miss our messages that went on for days, I will miss our phone calls and I'll miss seeing your beautiful face. I love you so very much my little sister and I hope you are at peace in our lord's hands. Your children and babies are going to miss you and things will never be the same. I promise I'll check on Ponce, you know the kids will watch over him as well. My heart is broken 💔 sister, losing you and Carmel is a lot. I will try to be strong sister, I will never stop loving you or missing you. #sistersforever #peasinapod Rest in peace sister 💔💔💔
