“ Dear Tracy and family,

I was so sad to hear of the car accident and passing of your precious George. I can still picture him when he was go through the healing of his arm. Always so positive and happy...he had a special caring nature. My Momma knew Pastor George and was heart broken to hear the news. He will truly be missed by all who knew him as Pastor or here at the credit union as well as his friends and church family!!!May all the wonderful memories you shared with him help in your comfort from this sad loss.

*Tracy..my heart goes out to you. I only know you as a sweet and happy person so full of energy...and to think how sad this time is for you. You are in my thoughts and prayers for comfort and healing. You are so positive and strong that I know it will be hard but you will continue to be the strong and the beautiful person you are until you meet your Sweet George again; because that is "YOU" The true comfort is to know one day you will be with George again; what a glorious day that will be to be in our Heavenly Father's presence and with our loved ones again.
RIP Dear George!!!*
