“ My condolences to my cuzzo’s Tino, Mikey & Tommy and my Uncle Saro... I hope you all lean on each other for love and support and I’m extremely sad over the passing of your mom. The LOVE and great memories I have of your Mom with all of us hanging out, laughing, eating, gambling/playing poker and telling family stories will always bring a smile to my face. I love you all very much and please reach out if there is anything we can do to help... Rest In Peace Auntie Pat 🙏❤️

“ Pat was an amazing lady! A great friend that was always caring and loving. We were friends at Good Shepherd Church and she was always with Becky and Isabel! We had alot of good times laughing and joking! I know she’s in heaven because she was an angel here on earth! I’m so sorry for your loss!

“ Dear Uncle Saro,  
My heart is broken to have lost a great aunt. She was a loving and caring person to everyone. She made you feel so welcome every time you saw her. She would always check on me to make sure that I wasn't "grounded". Now I will have an angel that will always look out for me to keep me safe. I will miss her forever but she will always be in my heart. I can still hear her laugh and lovingly would call me Stina. I love you uncle and my deepest sympathy for your loss.

“ Pat and I have been friends since we were little kids. I remember we, (Me ,Pat ,JoJo,) would watch Bandstand and would try doing the stroll. I had gone to a weight loss seminar at the Holiday Inn that featured a hypnotist one evening. While I'm sitting there waiting for it to get started and I'm saying to myself, man, I hope no one comes in that I know! Low and behold here comes Pat, we looked at each other and started laughing. We got hypnotized and were told we would never want to overeat again. We left there hugged and said our goodbyes, The following weekend, my husband and I went out to eat dinner and went to the Golden Corral Buffet. So I go up to the salad bar, and thought I'm just going to have a nice salad. Well I said, I'll just have some fried chicken and a little bit of mashed potatoes. I turn around and there's Pat, staring at me, with a plate full of chicken and potatoes!! We started laughing so hard we looked like crazy women we then sat down and enjoyed our fried chicken! LOL We laughed about that every time we saw each other. I am going to miss that lady so much. Rest in Peace my friend. My heart felt condolences to her family.
