“ Judy and I are Life Long friends since childhood. She had the sweetest little voice and laugh. Some of our playtime favorites were drinking cups of coffee at her Grandma's house on Idaho Ave (where I lived), playing hopscotch (always looking for the best chain to toss or the flattest rock), dress up with high heels and hats. We went to Catechism class at St.Pat's church and ate donuts after mass. I hold and cherish these memories as the good old days. We were separated by the big park so the boundary sent us to different Elementary schools but it never stopped our friendship. Thank you my friend Judy for the beautiful memories. My love to your Beautiful Family and to you. Smiling up at you right now!! Love always, Rita M. (Lopez) Trevino - Florida.
