*I am sending my sympathy and blessings to Mikes family. I went to grade school and high school with Mike. He was always kind, courteous and fun. I saw Mike at St Leander's 100 year reunion. What a pleasant surprise. My family had just moved back. I was so happy to meet your family and grandkids. This is such a lose for your family and the community of friends. My prayers will be with you during this tilt and beyond. Sincerely
