“ I have too many memories to even began writing. Loved when we used to play wrestle in the front yard and Duke would attack you. Cruising memories, when you took us trick or treating, just jamming to music. Watching you play Nintendo and would wait up for hours and hours for my turn, I'd start passing out and you'd say here here I'm almost done and it's your turn. Never got that turn lol Not mad at all, that's where I got my Mario skills, just by watching you and learning all the secret tunnels. Driving you around town like Ms Daisy. You will be remembered for so much and so many things will remind me of you.

Love you so much Phil, forever and always your favorite cousin (wink wink) Martha Mora (Garcia)

Say hi to mom for me. <3
