“ Pablo Picasso wrote, "The meaning of life is to find your gift. The purpose of life is to give it away." My Uncle Phillip "gift" was his kindness and generosity not only with money but also with his time. His mere presence made us happy to be around him. He was happy and cheerful and always a good listener. He appreciated the smallest of things. He was a man who did not shirk from duty to family and his country. Thank you for all you did for us. You will always hold a special place in my heart Uncle Phillip.

Love and condolences to the Romero Family,
