“ Words can not express the pain I feel loosing my momma. She was an amazing compassionate women. I have so many fond memories of her singing as she was cleaning and cooking. She was so creative and could make something out of nothing. I knew as long as my momma was around, everything would be ok. I will miss her seeing her face and hearing her voice, I will miss her hugs and her kisses, I will miss her smell and how she was a freak about her powder. I can go on and on with how wonderful my momma was and all the things that are flooding my head. I love you momma and my life will NEVER be the same without you. WE needed more time but God called you home. Give the family hugs and kisses, tell the girls I miss them, and give Dave hugs and kisses for me.. Tell Jose and Jerry I miss their crazy asses!
