“ *The one and only time I met you I was in awe, I said what a beautiful young woman! Your amazing spirit shined through with every thoughtful word you spoke. My son absolutely adored you and I could see why. You weren't just his best friends wife but someone who genuinely cared about his success and well being! I could tell you weren't just beautiful on the outside but that your love for others was unconditional, straight forward and, without judgement I'm sure my DJ was there to greet you in heaven with arms wide open. Rest easy in Jesus' arms sweet, beautiful girl* 🙏💔🙏💔😇

“ There are many memories I can share but I want to use this to represent you as you would have wanted my friend. Q was an amazing mom before all. She loves her babies more than anything. They truly are her best friends. She worked so hard to provide for them and always put their needs before her own. She loved her time with them, times of laughter, fun filled and crazy moments. Q I am thankful for your love, loyalty, support , laughter all these years . My friend, you are truly the best and with you will forever be apart of our hearts ❤️ I love you
