“ *I have known Racheal and Vanessa since they were babies. My family has spent many holidays and special occasions with the Gallegos family. We would joke about Tavio and my grandson Jacob. What would they be like as teenagers cuz as little boys, whenever they got together they were always into mischief. Words cannot express the overwhelming shock and sadness. I am truly heartbroken for your loss. Susan Pino Griego*

“ *When I try to think of one memory, my heart becomes flooded with hundreds. A lifetime of memories, cuzzy. From my early childhood when you use to dress me up and comb my hair. I was like your living doll. All the way to planning your wedding. I'm so grateful to know you Rach. So grateful my children knew your beautiful soul. We couldn't be more blessed. Losing you has changed us all forever. There will always be a void, an emptiness. The light you gave us all was so bright, our sunshine. It's hard to imagine a world without it. But we will always be there for Derik and the kids cousin. Don't worry. Your son is my inspiration, just like you were. You will never be forgotten cuzzy. There will never be a day you're not in our thoughts and our hearts. I will miss you more than words can ever describe. Rest in Heaven with your mama until we can all be together again 🙏*

“ *I spent a childhood looking up to and being inspired by you, only to grow up and realize you were even more impressive than I ever imagined. You're big heart, huge laugh and positive energy will be missed always. We will keep you alive with our thoughts and words. We will honor your memory by caring for your children and Derik as you would for any of us. I love you, cuzzy ❤️.*

“ It has been an honor to share our lives together as cousins. You will be missed by so many that you have brought joy to. When you come to visit me don't lock the keys in the car or run out of gas. I love you and will forever cherish the time we had together. ❤️❤️❤️
