Rachel Ranae Marquez, 33, left us on February 24, 2024 losing her battle to cancer. Rachel graduated in 2008 from Dolores Huerta High School where she found a passion for basketball. After graduation, she continued her basketball passion by volunteering as an assistant coach. During that time, she decided to start her education by attending CSU of Pueblo, where she earned a double major in Criminology and Psychology. After graduation, she joined the Pueblo County Sheriff's Office as a Deputy Sheriff. She has been working in this field for over 9+ years and was an active participant in the Honor Guard. During her service, she was also selected to attend the Pueblo Law Enforcement Academy which was a great honor for her. The biggest thing about Rachel is her kind and loving heart.
