“ I am the resurrection and the life. The one who believes in me will live, even though they die.” — John 11:25
You and I have known each other for 34 years, and the memories we made will live in my heart forever. I am so grateful that through all these years we remained friends—checking on one another, supporting each other, and sharing life whenever we could.
You will truly be missed. I will miss your laughter, your jokes, and your kind heart. You were deeply loved by so many.
I take comfort in knowing this is not goodbye, but see you again.
May you rest peacefully in God’s loving arms until we meet again.
Look over us all,
Angie

To his family, my buddy Keano, please know my heart and prayers are with you during this difficult time.
